Mr. Wilson Hamilton,
Psi Upsilon Fraternity,
1 Central Avenue,
Ithaca, N. Y.

Dear Mr. Hamilton:

It is a pleasure for me to write to you in view of Professor Andrews' selection of your name, that you were yesterday enrolled as an Associate member of the American Numismatic Society with your dues paid for this year and 1928. I shall be very glad to welcome you here at our Museum whenever you may be in New York and it may be convenient for you to come.

You will, perhaps, be interested to know that when our Council learned of the manner in which you and Mr. Lewis decided who was to have this award, arrangements were made so that he, too, will become an Associate member.

Will you kindly advise me whether you desire our publications mailed to your Ithaca address or to Caledonia, N. Y.

Very truly yours,

Secretary
